

INVESTIGATIVE TECHNOLOGY SUMMIT

ADVANCING CRIMINAL INVESTIGATIONS THROUGH TECHNOLOGY

December 8-10, 2026

Hilton Garden Inn at EpicCentral
2935 S State Highway 161
Grand Prairie, TX 75052

Hosted in partnership with the **Grand Prairie Police Department**

Join us for a dynamic three-day training event bringing together law enforcement investigators and the technology companies advancing criminal investigations.

Go beyond the technology and hear directly from investigators who have used these tools to identify suspects, uncover critical evidence, develop leads, and move investigations forward. Attendees will hear real-world law enforcement case studies demonstrating how technology was applied to solve complex investigations and support successful case outcomes. Each case study presentation is designed with practical learning objectives that investigators can immediately apply to active and future investigations.
