UNRAVELING MYSTERIES: COLD CASE INVESTIGATIVE WORKSHOP

Join us November 16-20, 2026 in New Haven, Connecticut

A five-day, peer-driven experience combining focused instruction with in-depth case presentations and collaborative review. Attendees work alongside fellow investigators to examine their active cold cases, share insight, and generate new leads, strategies, and investigative direction.

Participants may submit and present active cold cases for collaborative review and investigative strategy development.
