The ultimate responsibility remains with the individual exhibitors to protect their property and appropriate protection and insurance should be arranged.

LIABILITY, INSURANCE, AND HOLD HARMLESS

In consideration for the opportunity to display services and products at an IHIA Annual Training Symposium, Exhibitor, its officers, directors, agents and insurers, agrees to indemnify and hold harmless IHIA, TTG, its officers, directors, contractors, employees and agents and the seminar facility, its governmental entity, agents and employees, from any loss, injury, suit, action or cause of action, or claim whatsoever resulting from any incident, accident, fire, theft or any claim or loss to any person claiming loss or injury, including any loss or damage to property of Exhibitor, its employees, agent or subcontractors, loss or injury to any manufacturer's demonstration participants, their employees, agents, guests and general public. In such event, IHIA or TTG shall not be liable to any exhibitor for any refund of exhibit fee or expenses incurred by exhibitor to exhibit. No signs will be affixed by any means to the walls, doors or any other surface in the exhibit area or seminar facility. IHIA policy firmly restricts representation or organization that has not been assigned an official exhibit booth from soliciting business and/or distributing promotional material of any type within the exhibit area or any other areas.
